*CUSTOM PERFUME CREATIONS & UNIQUE FRAGRANCE DISPENSING ART*

## THE GALLERY PARFUMÉE AND IT'S UNIQUE ART COLLECTION

These handmade pieces are crafted from a combination of stone, metal and glass and are designed to emit a subtle fragrance. Each piece is sold with a custom perfume creation session at the Yves André Parfumerie to enhance the art viewing experience in your home or business

Each collection is displayed for only 3 months and sold via a silent auction. Bidders earn a ticket to the auction's final day Wine and Cheese evening held at the Parfumerie.

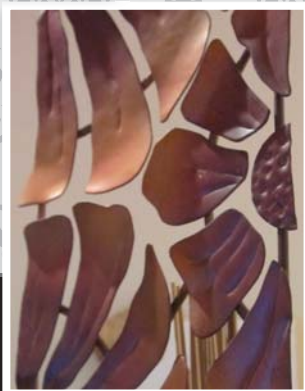

## PERSONALISED FRAGRANCES ARE NO LONGER JUST FOR CELEBRITIES!

Come and visit New Zealand's only French Parfumerie and ask about our Personalised Perfume Design Sessions. We can create your fragrance, personalised to your tastes and preferences. Just the way you want it. We can even make a 50ml Eau de Toilette while you wait!
